##### **She Can't Buy the Zoo**

*A rich woman comes to London. She has got three children – two boys and girl. They are noisy. They run and jump and often don't listen to their mother. Today they don't know what to do. They ask their mother:*

*«May we go to the Zoo, mother? Can you take us there?»*

*«Yes, we can go to the Zoo», she says.*

*And she takes the children to the Zoo in the afternoon.*

The children look at the animals, laugh and feed them. They make fanny faces, when they see monkeys. The children like big animals: the elephant, the giraffe, the rhino, the tigers and the lions. They ask their mother:

«Can you buy the Zoo for us?»

«I think I can», the rich woman answers.

The woman goes to the Zoo director and says:

«My children like your Zoo. I want to buy it for them. How much must I pay for it?»

The Zoo people do not like the woman. They do not like the children. So the director says:

«We can't sell the Zoo. We can't sell the animals. But we can buy your children for the Zoo».
